- A Green Environment

THE DECLINING BLOCK TARIFF FOR DOMESTIC CUSTOMERS (COOKING TARIFF)

In December 2021, the Electricity Regulatory Authority introduced the **Cooking Tariff**, applicable to the **Electricity Customers served by Umeme Limited**.

Under this Tariff mechanism that became effective on 1st January 2022, **ERA has reduced the Tariff for a 70 Units Electricity bundle to Ush. 412 per Unit** to enable Domestic Customers utilize more electricity especially for cooking.

BLOCK	Lifeline 0 - 15 Units	16 - 80 Units	Cooking Tariff 81 - 150 Units	Above 150 Units
NO. OF UNITS	15 .0	65 .0	70 .0	Infinite
PRICE	Ush. 250.0 per Unit	Ush. 747.5 per Unit	Ush. 412.0 per Unit	Ush. 747.5 per Unit

KEY

- ✓ A Customer qualifies for the Cooking Tariff upon exceeding purchase of 80 Units in a given month.
- ✓ The Cooking Tariff applies to only the additional 70 Units after the 80th Unit (81 - 150 Units) purchased in the month.
- ✓ The Units beyond the 150th Unit (151 Units and above) are charged at the normal Tariff which is currently at Ush. 747.5 per Unit.
- * The Lifeline Tariff applies to the First 15 (Fifteen) Units purchased by a Customer in a month, for Customers who have historically NOT exceeded purchase of 100 Units each month, over a period of Six months. **The Customers who will no longer qualify for the lifeline relief will therefore acquire their First 15 (Fifteen) Units at the normal rate of Ush. 747.5 per Unit.**
